TUESDAY MORNING, JANUARY 16, 1855. REMOVAL.

We have removed our large Printing Establishment to the corner of Clarch and Cherry Streets, where we will be happy to see our friends and patrons.

A. J. DUNUAN & Co.'s SALE .- In calling the attention of our readers to the large auction of A. J. Duncan & Co., which commences this morning, hand exclusive of shipboard, 180,000 bales. we cannot refrain from saying that this is one of the best organized and best conducted establish ments in the country. The senior of the firm Mr. Duncas stands very high in business circles, and has, by his close attention to business and his urbane and geatlemanly deportment, won for himself the confidence of a large number of acquaintances. He commenced life poor, and has for a man of his age, accomplated a very handsome fortune. Such success deserves more than a passing notice, especially when won by patient industry and against the antogonism a young man has to meet' in commencing business. The other members of their departments with vigilance and energy,

- By reference to their advertisement it will beseen that this is one of their largest sales and comprises various fabrics of foreign and domestic manufacture. This stock is selected with carebargains may be expected.

WYMAN.-The fact exhibition of this gentle man, at the theatre last night, was very well attended, and was received with the highest satisfaction. The feats of legerdemain, &c., were very skillfully performed, and this part of the entertainment was quite equal to any of the kind we have ever witnessed. As a Ventriloquist, Wyman has never been equalled by any person who has exhibited here, and we can well believe that he is without any living rival.

- We are indebted to the agent of Herr WYMAN Mr. DENWAY, for a copy of his hand-book of magic. This book contains an explanation of all the wonderful tricks performed by Burn, ALEXANDER, Mc ALLISTER, HARRINGTON and himself, and should be purched by every one before witnessing his beautiful illusions. They can be obtained at the door,

THE ASSESSED HARRONITS - Our friends of Clarksville, Hookinsville and Elkton, will have an opportunity in a few days of listening to the harmony of this hand of excellent musicians. As this company is but newly organized we can-

not speak of his performance as a body; but we know that it embraces a cotabination of musical tallent rarely, if ever, equaled in this country. Our friends in these regions may confidently anticipate a cie's treat.

Travelers possing through Wilmington, N. C. will, we are told find the Carolina House, kept by B. B. Buows, showether the heat and more comfortable house in the city.

SPECIAL NOTICES.

FROM A PRYSICIAN IN ILLINOIS It is gratiflying to the proprietors of B. A. Fabnestock's VERMIFUGE to see that regular practitioners make an exception in favor of this Vermifuge, and not only use it in preference to their own preparations, but give their voluntary testimony in its favor. The following is from a physicinn of high character, now in Illinois, formerly of Lou-

Falmestock's Vermifuge in the practice of medicine, in this and the Southern States, for the last ten years, and I can recommend it as the medicine for the purpose for which it was intended; bringing at one time, from a small girl, of, say, ten years of age, ONE HUNDRED AND SEVENTY-NINE WORMS. As a druggist at Shawnee town, I have sold a great quantity, and it has invariably given satisfaction. In fact, it is the only worm medicine now called for.

Give them a trial .- Mercenary persons bave in so ma, ny instances succeeded in foisting upon the community worthless preparations, claiming for them great medical virtues, that many individuals refuse to take any thing not sanctioned by a physician. This sanction has been bestowed upon STABLER'S ANODYNE CHERRY EXPEC-TORANT and DIARRBEA CORDIAL in more than five hundred instances. Indeed many medical men who know their virtues regularly prescribe the Expectorant in cases of Coughs, Colds, and diseases of the respiratory organs which come under their care. And, in all diseases of the bowels, too, such as Diarrhoss, the Diarrhoss Cordial is prescribed by them with the utmost confidence in its bene ficial effects. Give these excellent medicines a trial. See descriptive pamphlets, to be had gratis of the agents. Price only 50 cents for each, or six bottles for \$2 50.

If the triumphant success of the great Arabian remedy or man and beast, H. C. FARRELL'S CELEBRATED ARA-BIAN LINIMENT, is causing counterfelts to spring up all over the country, spreading their baseful influence over the land, robbing the pockets of the honest and unsuspecting, by imposing upon them worthless and poisonous trash, for the genuine H. G. Farrell's Arabian Liniment. Fellow-citineus! Look well before you buy, and see that the label of the house has the letters H. G. before Parrell's, for if it has not, it is COUNTERFEIT. The label around each bottle of the gennine faniment reads thus, "H. G. Look out for Counterfeits! The public are cantioned against another counterfoit, which has intely made its appearance, called W. B. Farrell's Arabian Limmont, the most dangerous of all the counterfoits, because his having the name of Farrell, many will be it in good faith, without the knowledge that a counterfeit exdis, and they will perhaps only discover their error when no spurious mixture has wrought its evil effects.
